FLOOR DEBATE

April 13, 2004 LB 613

bill does. And of course, this has had one round of debate already. I can't imagine we'd need to discuss it that much longer. But I would appreciate your support to return for Select File for Senator Mossey's amendment. Thank you.

SENATOR CUDABACK: Thank you, Senator Bourne. The question before the body is, shall LB 613 be returned for specific amendment? All in favor vote aye, opposed nay. Have you all voted who care to? Record please, Mr. Clerk.

CLERK: 34 ayes, 0 nays, Mr. President, on the motion to return the bill.

SENATOR CUDABACK: The motion was successful. It's been returned. Mr. Clerk.

CLERK: Mr. President, Senator Mossey would move to amend with AM3663.

SENATOR CUDABACK: Senator Mossey, to open on your amendment.

SENATOR MOSSEY: Once again, Mr. President, I would just ask for the adoption of AM3663, and appreciate the body's support on that measure. Thank you.

SENATOR CUDABACK: Thank you, Senator Mossey. Open for discussion on that. Senator Cham...Senator Synowiecki.

SENATOR SYNOWIECKI: Thank you, Senator Cudaback, members. I'll be extremely brief. Just wanted to thank Senator Mossey for bringing this. I thought it was quite unfortunate what happened last week when we took up the bill. Just for your information, from my days at the Probation Department, there's a certain degree of urgency with a lot of the provisions in this bill. And I want to thank Senator Brashear and Senator Chambers for working on something that could be accepted at this final...you know, in the eleventh hour, if you will, of the session, to get something in in this area. It is critically needed, and there is a sense of urgency with regard to a lot of the provisions within this bill. And my thanks to Senator Mossey, Senator Bourne as well. Thank you, Senator Cudaback.
